ABOUT US

*Founded in **1980**, our company has established itself as a well-rooted family business, leaving a lasting mark on the industry through many years of influential work. Growing with the experience and values inherited from the past, our structure has evolved by specializing in different areas and eventually took on a corporate identity under the brand **Venetto Home & Living**.*

*As **Venetto Home & Living**, we produce high-quality felt using needle punched nonwoven technology. With our modern production facilities and expert team, we operate with a strong focus on quality, sustainability, and customer satisfaction in both domestic and international markets.*

Since our establishment, we have continued to make a difference in the industry with our innovative approach and robust infrastructure, guided by the core values we have upheld from the very beginning.
